

# WHAT IS CIAM?

The Center for Information and Assistance for Mexicans (CIAM) provides a human, professional and timely response to the needs of Mexican persons who live in the United States, providing comprehensive guidance on consular services, migratory news, consular protection and prevention.

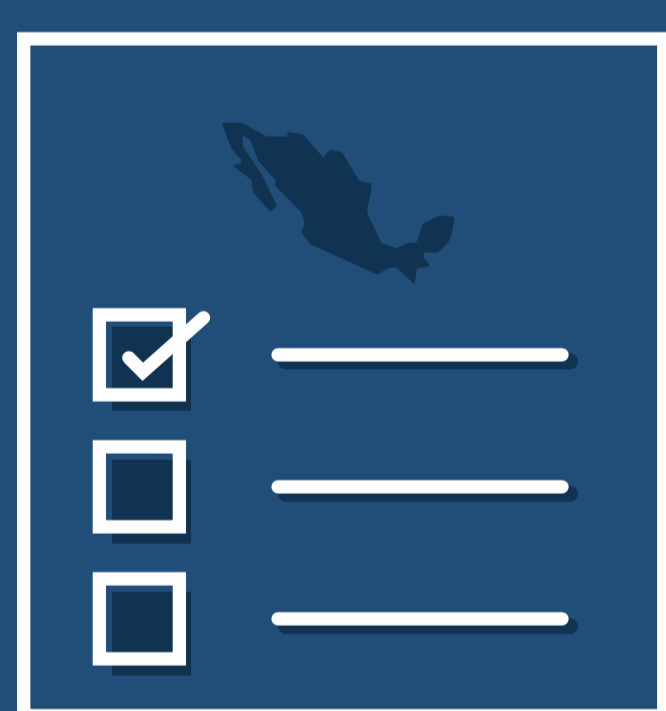

CIAM provides assistance to Mexican citizens 24 hours a day, 7 days a week on topics such as:

Consular protection, guidance for locating missing relatives who attempted to cross the border, locating detained family members, as well as providing legal and immigration advice

Requirements to carry out procedures (such as passport or consular registration)

Suggestions in case of returning to Mexico

Migrant rights in both Mexico and the United States

Advice to prevent extortions

Financial advice
