

HOW CAN I PREPARE FOR A POLICE ROUNDUP OR FOR DETENTION?

1 You have the right to: remain silent, request a lawyer, request them to show you the court order

2 Always carry with you a **KNOW-YOUR-RIGHTS-CARD**. You can show it to ICE or the police in case of arrest or interrogation

3 Make an emergency plan for your family in case you might get arrested

4 Memorize the phone numbers of your emergency contact and a trusted lawyer

5 Choose a person to take care of your children in case you are detained

6 Keep in a safe place your important documents and those of your family (birth certificates, social security cards, passports, school and medical records, emergency contact information, power of attorney for the guardian of your children, etc.)

7 Find out what identity documents you should always carry with you

8 Do not use false identity documents

9 Do not carry identity documents from another country

10 Showing false documents or telling lies can affect detention processes
