STRATEGY I AM MEXICO: BIRTH REGISTRATION OF THE MEXICAN-AMERICAN POPULATION

The General Directorate of the National Population and Personal Identification Registry of the Ministry of the Interior has entered into a rapprochement and negotiation with the National Association of Statistics and Information Systems for Public Health (NAPHSIS) of the United States of America with a view to making electronic queries of its databases with a view to facilitating the obtaining of documents that enable the returnee migrant population to obtain proof of Mexican nationality and thus guarantee them the exercise of their right to identity.

You must go to the Civil Registry, you must request the registration of the American birth certificate and request verification of birth certificate electronically.

Requirements

- Birth certificate of the “long version” child
- Identification of the child
- Appear one of the parents of the registrant if they are married to each other. In case of not being married BOTH parents will have to go to the registry.
- Birth certificate of each parent
- Current official photo ID
- Marriage certificate
- 2 witnesses are required

THE CHILD'S BIRTH CERTIFICATE IS VERIFIED, ONCE VERIFIED THERE IS AN INTERNAL PROCESS THAT VALIDATES IT, THUS SIMPLIFYING THE REQUIREMENT TO HAVE THE APOSTILLE OF THE BIRTH CERTIFICATE.
